ABOUT EVC

EVC is a prominent MEP contracting company, established in Jordan and Saudi Arabia, with its headquarters in Amman and a branch in Riyadh. Since its inception in 2012, EVC has specialized in Mechanical, Electrical, and Plumbing (MEP) systems, Fire Fighting Systems, and other Specialized Systems, providing solutions that focus on quality, efficiency, and innovation. At EVC, we integrate dedication, professionalism, enthusiasm, trust, and advanced technology to deliver long-term value to our clients.

OUR COMMITMENT

At EVC, we provide cost-effective, high-quality, and timely MEP solutions, supported by advanced infrastructure and a skilled project management team. With a commitment to professionalism, innovation, and trust, we leverage cutting-edge technology to ensure precision, efficiency, and lasting value for our clients.

VISION

To be a globally recognized and reliable MEP contracting company, known for quality, innovation, and excellence.

MISSION

To foster long-term client relationships through superior service, timely project delivery, attention to detail, and strict adherence to safety and environmental standards.

CORE VALUES

CUSTOMER SATISFACTION

Ensuring excellence in every project

RESULT-ORIENTED & PROCESS-DRIVEN

Delivering measurable outcomes

TECHNOLOGICAL ADVANCEMENT

Using the latest tools and methods

LONG-TERM RELATIONSHIPS

Building trust with clients and partners

SAMPLE OF PROJECTS

TUFENKJIAN AND CHOPARD BOUTIQUE

AMMAN - JORDAN (UM UTHAINA)

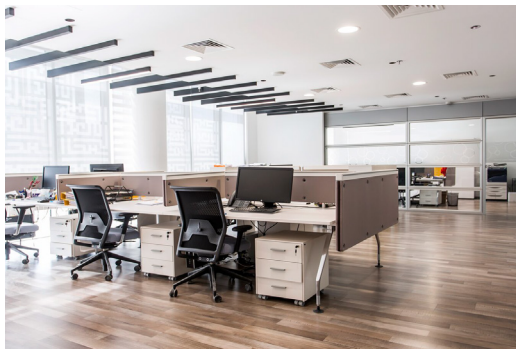

Tufenkjian, a premium jeweler, features a shop design that reflects the brand's extravagance through a dark aesthetic with silver and chrome accents, enhancing the brilliance of its jewelry. Similarly, Chopard, the renowned Swiss watch and jewelry brand, offers a luxurious boutique in Amman, complete with an exclusive VIP room for its discerning clientele.

FERRING PHARMACEUTICALS OFFICE

AMMAN - JORDAN (BOULEVARD - ABDALI)

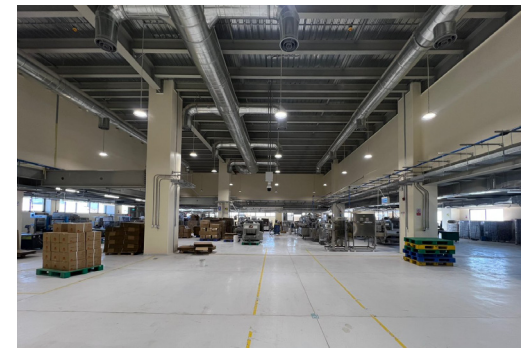

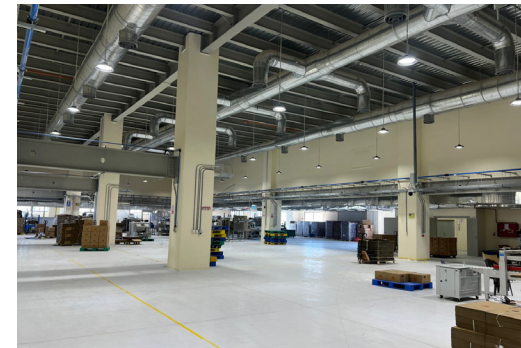

As the MEP contractor, we designed, installed, and commissioned advanced mechanical, electrical, and plumbing systems for Ferring Pharmaceuticals' regional office in Amman, ensuring a modern, efficient, and sustainable workspace that supports operations across the Middle East, Turkey, and Africa.

NOON FOODS FACTORY,

MADABA - JORDAN

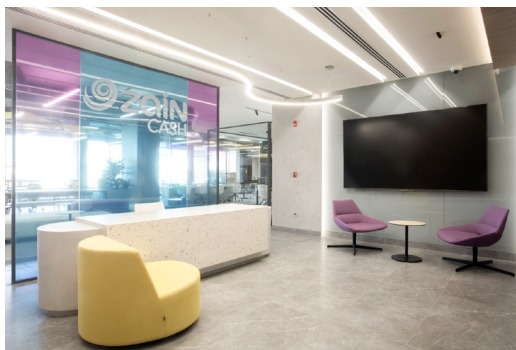

Noon Foods, founded in 1982 in Amman, Jordan, has been a pioneer in the powdered food manufacturing industry and is known for its heritage brand. Recently, the company opened a new factory building in Madaba in 2025, covering 18,000 square meters. Our team was responsible for designing, supplying, and installing all Mechanical, Electrical, and Plumbing (MEP) systems to ensure the factory's production line operates efficiently and effectively.

ZAIN CASH HEAD OFFICE

AMMAN - JORDAN

Aligned with their dedication to innovation and excellence, our team took charge supplying, and installing the Mechanical, Electrical, and Plumbing (MEP) systems for the Zain Cash Headquarter Offices. These meticulously crafted systems are intended to enhance operational efficiency and ensure seamless functionality, thereby supporting Zain Cash's commitment to providing top-quality digital financial services.

MAHMOUDIA MOTORS JAGUAR LAND ROVER SHOWROOM

AMMAN - JORDAN (DABOUQ)

Our team has provided complete MEP works for the Jaguar Land Rover facility on Al Madina Al Munawwarah Street. Built to Jaguar Land Rover's global ARCH standard, the spacious modern facility offers a bright and welcoming atmosphere while accommodating the expanded and future vehicle lineup. With striking architecture and a sophisticated interior design, the facility enhances the premium brand experience for customers.
